

## 7000CRB: Developing and Enhancing Teaching Practice

### September 2022 Cohort Timetable

Timetables for September 2022 Cohort online/blended delivery are detailed below.

You will receive a Welcome Email before the course starts with further module information and Induction details. *Please read information below about your online study blocks and workshops:*

#### **Study Blocks**

The FutureLearn (FL) Short Courses are asynchronous online self-study blocks, and do not require 'live attendance'. Your core learning will take place on the FutureLearn platform using independent learning activities, peer discussions, reading etc. Whilst there isn't a set time for you to 'attend' learning blocks, you should aim to work through each short course within the time indicated.

#### **Workshops**

All workshops are mandatory. There are two different dates for each workshop (these are repeat sessions). Please ensure you **sign-up to one** of the two options. You will receive a link to sign-up in for your preferred date in the Welcome Email. Priority will be given to overseas participants where needed.

Note this is a **DRAFT** timetable subject to minor changes. Please ensure you make a note of these dates in your diary/calendar, as all workshops are **mandatory**. Please check dates again closer to the course start date on <https://acdev.orgdev.coventry.domains/accredited-courses/PqC-APHE>
