

7000CRB: Developing and Enhancing Teaching Practice

September 2022 Cohort Timetable

Timetables for September 2022 Cohort online/blended delivery are detailed below.

You will receive a Welcome Email before the course starts with further module information and Induction details. *Please read information below about your online study blocks and workshops:*

Study Blocks

The FutureLearn (FL) Short Courses are asynchronous online self-study blocks, and do not require 'live attendance'. Your core learning will take place on the FutureLearn platform using independent learning activities, peer discussions, reading etc. Whilst there isn't a set time for you to 'attend' learning blocks, you should aim to work through each short course within the time indicated.

Workshops

All workshops are mandatory. There are two different dates for each workshop (these are repeat sessions). Please ensure you **sign-up to one** of the two options. You will receive a link to sign-up in for your preferred date in the Welcome Email. Priority will be given to overseas participants where needed.

Please note this is a DRAFT timetable subject to minor changes. Please ensure you make a note of these dates in your diary/calendar, as all workshops are **mandatory**. Please check dates again closer to the course start date on <https://acdev.orgdev.coventry.domains/accredited-courses/PgC-APHE>
