

7010CRB: Introduction to Teaching and Learning in Higher Education

January 2024 Timetable

Our short course is presented as an induction and four challenges. Each challenge comprises an online self-study course and two group workshops.

For the assignment, you will be required to develop a single page Adobe Express website, adding approximately 400 words for each challenge. Your website is to be submitted at the end of the course for assessment.

All sessions are mandatory – except where stated.

This is a draft timetable and may be subject to minor changes.
